Dear Cozart:

Your letter was received this morning. I was very glad to hear from you. Yes I had written to Hooker and asked him to contact you. I heard your arm was all right again. I certainly hope so. If it is and you will take the proper care of your self, you should be in a position to make some worth while money before long.

We are going to train in Daytona Beach Fla. We leave for camp April 3rd. This means we will pick you up in Raleigh some time that day. I will write you again and let you know the exact time. I am writing Hooker today also.

I believe we will have a good ball club this year, but I also think all the teams will be stronger. I am expecting Day and Dandridge to come back to the Eagles.

You can drop me a post card that you received this letter, and proceed with your plans to be ready to meet us in Raleigh April 3rd about 12 P.M. at the hotel.

Very Truly Yours
